Occupying a peaceful position within one of South Woodford's most desirable residential roads, this impressive four-bedroom detached family home is offered with no onward chain and presents an outstanding opportunity to acquire a spacious home.

The property's enviable corner position has no through traffic which creates a quiet, family-friendly setting, while remaining within easy walking distance of South Woodford's excellent amenities.

The accommodation is both generous and versatile. A welcoming entrance hall leads to a bright and spacious L-shaped living and dining room, where dual-aspect windows and French doors flood the space with natural light and provide seamless access to the private rear garden. The fitted kitchen offers an excellent range of storage units and access to the rear garden. A convenient ground floor cloakroom completes the downstairs accommodation. Upstairs are four well-proportioned bedrooms arranged around a central landing. The principal bedroom enjoys dual-aspect windows and benefits from its own en-suite shower room, while the remaining bedrooms are served by a family bathroom. The property also offers a well proportioned loft which could be converted into a further bedroom (Subject To Local Planning Permissions).

Outside, the property truly excels. The generous wraparound rear garden is considerably larger than many neighbouring homes, offering excellent space for families, entertaining or future landscaping. An oversized tandem garage and covered carport provide ample off-street parking and exceptional storage, with additional unrestricted parking available nearby. The size and position of the garage also lend themselves perfectly to conversion into a home office, gym, studio or garden room (subject to any required consents). Perfectly positioned for families, the property is within easy reach of a number of highly regarded state and independent schools, including Forest School, Bancroft's School, Chigwell School, Nightingale Primary School, Snaresbrook Preparatory School and Woodford County High.

George Lane is just a short walk away, offering an excellent selection of cafés, restaurants, independent boutiques and everyday shopping. South Woodford Underground Station (Central Line) provides direct services to Liverpool Street in around 20 minutes, with convenient access onwards to the City and West End. The A406, M11 and M25 are also easily accessible, while both London City and Stansted Airports are within convenient travelling distance. A substantial detached family home in an exceptional location, offering immediate comfort, outstanding future potential and the rare advantage of no onward chain.
