APARTMENT 4 | GROUND FLOOR
3 BEDROOMS, 2 BATHROOMS

Apartment 4 is a well-considered three-bedroom home located on the ground floor, offering an efficient layout with a strong connection to outdoor space. The open-plan kitchen, living and dining area is positioned to the front of the apartment and opens directly onto a private terrace, creating a sheltered outdoor area ideal for relaxed dining or quiet moments outside.

Three well-proportioned bedrooms are arranged to provide comfort and flexibility. The principal bedroom benefits from a dedicated en-suite, while the remaining bedrooms are served by a contemporary shared bathroom, finished to the same high standard throughout.

Thoughtful circulation, integrated storage and clear zoning ensure the apartment feels calm, practical and easy to live in, making it a refined ground-floor home with the added benefit of private outdoor space.

Dimensions	m2	ft2
Total Gross Internal Area	82m2	882ft2
<small>* Includes internal walls</small>

The current owner says:

This property has been delivered with no expense spared, and the developer has really thought and understood the requirements of the end user, and delivered a quality home to suit those needs. It needs to be viewed to be appreciated.

A new development of 8 boutique apartments in the heart of Acton. Fronting a leafy tree-lined road in the London Borough of Ealing, Creswick Residences combines the best of contemporary British architecture with highly functional interiors. Perfect choice for those who want to enjoy London's more traditional character but with high quality design of brand new construction, by a leading local developer.

Flat 1 - Is a large three bedroom, two bathroom ground floor apartment set over 882 sqft with a private South/West-facing patio terrace, perfect for entertaining.

Constructed with a high specification, and use of quality materials expertly crafted with the utmost care and consideration to detail makes each apartment distinctive and exclusive. Spatial awareness is one of the key elements of our design ensuring well flowing and zoned areas in all apartments.

General Features includes wide-plank white washed oak floors throughout, aluminium windows and doors, underfloor heating, high ceilings and excellent acoustic insulation are features throughout. There are bespoke joinery TV and dining areas, built in wardrobes and vanity units delivered to a high standard.

Kitchens are Italian bespoke crafted joinery, with Quartz worktops, full height splashbacks and elegant recessed spotlights, Smeg Siemens or Miele appliances depending on the unit, ceramic hobs and Lusso taps.

What's better:

This contemporary development has been finished with a stunning colour palette that feels inviting and homely with lots of modern features for a buyers enjoyment. We particularly like the high ceilings, underfloor heating and bespoke joinery that make these inviting homes.
