DESCRIPTION

34 Prince Street is a traditional two-bedroom mid-terraced property situated within convenient walking distance of Oswestry town centre. The property offers well-proportioned accommodation arranged over two floors together with an enclosed rear garden and represents an excellent opportunity for first-time buyers, investors or those seeking a property with potential for further modernisation and improvement.

The property retains character typical of a home of this period, including a traditional brick façade and internal features, while offering a practical layout suitable for modern living.

The property is approached over a small enclosed courtyard and is entered through a front door leading directly into the reception room, a comfortable living space positioned to the front of the property and enjoying natural light from the front-facing window as well as a character fireplace. This provides an ideal space for everyday living.

Positioned to the rear and open through a wide archway is the dining room, offering a versatile space for dining or additional living accommodation. The room features exposed wooden flooring, with a window overlooking the rear of the property and access to the staircase rising to the first floor.

Located beyond is the kitchen, which is fitted with a range of base and wall units with work surfaces and space for appliances. A door provides access to the rear courtyard garden.

To the first floor the property offers two bedrooms, including a well-proportioned principal bedroom positioned to the front of the property with feature Victorian fireplace. There is a second bedroom to the rear which could also be utilised as a home office or guest room. The accommodation is complemented by a family bathroom fitted with a suite comprising bath with shower over and glass screen, wash hand basin and WC.

OUTSIDE

Externally, the property benefits from a long enclosed courtyard-style garden to the rear providing a low-maintenance outdoor space together with two useful storage sheds and rear pedestrian access. It may be possible to convert to access for a small vehicle (STPP).
