THE PROPERTY

The property has three elements, the Workshop, the Barn and the Yard, all within close proximity on Newleaze Farm.

The Workshop comprises a good quality warehouse/workshop building of steel frame construction with a concrete floor, concrete panel and profile steel cladding, two steel roller shutter doors, three gantries and a cement fibre roof. It has a separate office pod measuring approximately 53.16 sq m (572 sq ft) and the gross internal floor area of the workshop measures approximately 395.35 sq m (4,256 sq ft). It benefits from concrete surfaced accessways, 3-phase electricity supply, oil fired heating and good quality LED lighting throughout.

The Barn comprises a warehouse/workshop building of steel frame construction with a concrete floor, vented timber cladding, a steel loading door and a new cement fibre roof. The gross internal floor area measures approximately 168.38 sq m (1,822 sq ft). It benefits from 3-phase electricity supply and good quality LED lighting throughout.

The Yard comprises a good quality concrete surfaced outside storage area measuring approximately 4,482 sq ft with level concrete surfaced accessways and concrete walls.

There is ample parking on site within a designated parking area, with staff welfare and w.c. facilities on site.

SITUATION

Newleaze Farm is within close reach of the village centre of Templecombe, which has amenities which include a primary school, a church, a doctor's surgery, a community café, Co-op store and a mainline station that connects to London Waterloo and Exeter. The town of Wincanton lies approximately 5 miles to the north, where the A303 provides swift access to London and the West Country. The historic Abbey town of Sherborne and the local regional centre of Yeovil lie to the west providing an excellent range of commercial, cultural, recreation and shopping facilities, as well as an excellent choice of public and state schools.

SERVICES

Mains water supply
