THE DWELLING

A spacious detached chalet bungalow which benefits from UPVC double glazing, gas central heating, coved ceilings, picture rails, extensive timber effect flooring, attractive timber doors with stainless steel door furniture and very large gardens to the rear.

ACCOMMODATION

A porch with a UPVC double-glazed entrance door leads to the reception hall, whilst to the front of the bungalow are three bedrooms, all being doubles. There is also a luxury bath/shower room with a white suite with "his and hers" hand basins and extensive wall tiling.

The sitting room has a central feature open fireplace, double-glazed French doors to the rear, and a wide archway leads to the dining room. This is a good-sized room having two double cupboards housing the gas boiler, doors to both the side and rear and also leads to the utility room.

This room has a Belfast sink with mixer tap, attractive timber effect worktops with grey doors, antique door furniture and French double-glazed doors to the rear garden.

Finally, on the ground floor is the kitchen with a comprehensive range of units with black marble effect

worktops, white doors and stainless steel door furniture. Fitted appliances include a four-ring hob, oven and stainless steel hood, whilst there is a range of base units with drawers and cupboards under, wall cupboards, and floor tiling, outlook to the side and a staircase rising to the first floor.

Here you will find a very good-sized playroom/attic room with a lovely open aspect to the very large garden to the rear, and could be easily converted to bedroom 4 or any other further accommodation, subject to necessary planning permissions.

OUTSIDE

To the front of the property is a lawn with deep-stocked borders and a path, whilst there is gravelled parking for circa 3 vehicles, which leads to a timber gate and in turn leads to a further gravelled area.

To the rear, the garden is a really good size, comprising a patio, an abundance of mature trees, deep-stocked borders and a superb lodge with a UPVC double-glazed entrance door, light and power connected and a very attractive covered seating area.

From this area of garden, there is a hedge leading to a further area of lawn with a tree, a vegetable garden, a

historical chicken run, etc. and beyond this is a further area of garden which is currently unkempt but does have a shed and greenhouse.
