Set across the raised ground floor of an impressive detached corner residence, this beautifully arranged apartment extends to 3,672 sq ft (341 sq m) and is approached via its own private entrance.

The interiors combine classic period architecture with refined contemporary detailing, featuring ornate cornicing, striking fireplaces and wide timber floorboards. The raised ground floor is distinguished by two substantial reception rooms, each enjoying excellent ceiling height and abundant natural light, creating elegant spaces for everyday living and entertaining.

The layout has been carefully planned, with a principal bedroom suite incorporating a walk-in dressing room and en-suite bathroom, alongside three additional double bedrooms, each with their own en-suite facilities.

On the garden level, the kitchen and dining area open directly onto a south-facing patio garden, offering a peaceful and secluded outlook rarely available in a property of this size. Further advantages include a lock-up garage and off-street parking, making this a particularly private and desirable home.
