The canal to Grindley Brook at Whitchurch was a number of branch lines and was mainly used for slate, coal, limestone and fertiliser.

The property which is Grade II Listed, offers spacious accommodation over two floors and has a wonderful outlook over the canal and countryside to the rear. The accommodation briefly comprises a semi-circular canopied front entrance porch with door into the entrance hall which has windows to the side and exposed timbers. It has a door leading to a ground floor shower room with W.C. There is a living room to the front with feature curved wall, fireplace with log burner, wooden floor and exposed timbers.
