Our Vendor Loves...

Having to move closer to elderly parents its time to leave this lovely house which has been my home for the past 18 years. I have been very happy here, the neighbours are friendly and welcoming, the area is quiet and has all the amenities you need, on your doorstep. If you need to go further afield the train station into London/ Kent is a mere four minute walk away, and there are at least four other local stations nearby, so getting around is so easy. I hope the new owners will be as happy as I have been.
