## THE PROPERTY

Deepdene is a spacious detached bungalow enjoying an elevated and secluded setting on the edge of this peaceful Dorset village. Occupying a generous plot and adjoining farmland to the south, the property offers a wonderful sense of privacy and enjoys a light and airy feel throughout.

The bungalow has been well maintained and enhanced with the addition of a modern uPVC double-glazed conservatory. The accommodation comprises four bedrooms, including the principal bedroom with en-suite shower room and built-in wardrobes, two further double bedrooms, and a single bedroom, all of which benefit from built-in wardrobes. The family bathroom is fitted with a white suite comprising a bath, separate shower, vanity wash basin and WC.

The sitting room is well proportioned and provides an attractive living space, with sliding patio doors opening onto a private west-facing terrace. There is also a separate dining room and a fitted kitchen offering a range of cupboards and drawers, an integrated electric hob and double oven, space for a dishwasher and upright fridge freezer, together with a useful larder cupboard. In addition, the hallway benefits from a useful storage cupboard with plumbing for a washing machine and housing the utility meters.

Further benefits include uPVC double glazing, oil-fired central heating, a driveway and an attached double garage. The garage is fitted with power and lighting and houses the boiler. It also incorporates a utility area with space and plumbing for a washing machine, fitted storage cupboards and a sink, together with a cloakroom conveniently located within the garage. Of particular note, one of the garage doors is higher than standard to accommodate a larger vehicle, both doors have electric up-and-over control, and there is an inspection pit within the garage.

The property also benefits from owned solar panels, which contribute towards the household electricity supply and help reduce running costs, generating an approximate annual income of £2,000.

## OUTSIDE

The property is approached via a driveway providing ample off-road parking and sits within a mature plot, with gardens surrounding the bungalow. Predominantly laid to lawn, the gardens are interspersed with a variety of established shrubs and fruit trees, creating an attractive and private setting.

The heated swimming pool is fitted with a roller cover. A summer house provides a useful changing area overlooking the pool and gardens beyond and also benefits from a small kitchen area with hot and cold water and space for a fridge. Adjoining the summer house is a pump room housing the filtration system, together with a useful store room.
