### The Home

Approached via a tarmac driveway or up the charming cottage-style front garden, where stepping stones lead towards the property's handsome timber front door, this home immediately creates a welcoming first impression.

The stylish timber entrance door opens into an entrance vestibule which in turn leads into a magnificent hallway. This space sets the tone for the accommodation beyond, offering a wonderful sense of arrival which then leads to all the principal ground floor rooms.

Positioned to the front of the property is an elegant sitting room. Beautifully presented and flooded with natural light from a large double-glazed window overlooking the front garden, this room provides the perfect environment for relaxing with family or entertaining guests.

The hallway also provides access to a practical laundry room and ground floor W.C., a valuable feature for modern family living.

Undoubtedly one of the standout features of this home is the stunning open-plan kitchen diner. Stylishly designed and beautifully finished, this exceptional family space has been created with contemporary living firmly in mind. The room enjoys an abundance of natural light and benefits from two sets of double-glazed French doors which open directly onto the rear garden. Buyers consistently seek this style of accommodation as it effortlessly connects indoor and outdoor living spaces, creating the perfect environment for family gatherings, entertaining guests and enjoying summer evenings with the garden becoming a natural extension of the home.

A commanding staircase rises gracefully from the hallway to the first-floor landing.

### First Floor

The first-floor landing enjoys a premium feel thanks to its generous proportions and thoughtful design. A dedicated area currently provides the perfect space for a home office or study area, an increasingly important feature for modern buyers. A large double-glazed window allows natural light to pour into the landing, creating a bright and airy atmosphere.

The landing provides access to two spacious double bedrooms. The principal bedroom benefits from its own en-suite shower room comprising a shower enclosure, wash basin and toilet. A well-appointed family bathroom serves the remaining accommodation and features a bath, wash basin and toilet.

Two generous storage cupboards provide valuable practical storage rarely found in modern homes.

### Second Floor

A second staircase rises to the upper floor where a Velux window above the landing fills the space with natural light.

The second floor offers two further impressive double bedrooms, both enjoying attractive views over the surrounding area. These rooms offer excellent flexibility and could serve as bedrooms, guest accommodation, hobbies rooms or additional workspace depending upon individual requirements.

A separate W.C. serves this floor and benefits from twin Velux windows, creating a bright and pleasant space.

### Outdoors

The rear garden has been beautifully designed to create a series of attractive outdoor spaces that can be enjoyed throughout the year.

Directly accessed from the French doors is an Indian stone patio, ideal for outdoor dining and entertaining. A step leads onto a lovely gravelled seating area before opening onto a well-maintained lawn partly framed by established planted borders.

At the very top of the garden lies a further gravelled seating area. Thanks to its elevated position, this is a wonderful spot to enjoy the sunshine during the summer months, unwinding with friends and family late into the evening.

To the front, the driveway provides valuable off-street parking and leads to the garage. Whilst the garage is not suitable for vehicle storage, it offers excellent storage space for bicycles, gardening equipment, outdoor furniture and household items. The garage is accessed via a convenient electric roller shutter door.
