## THE PROPERTY

This attractive barn conversion is quietly positioned in a tucked-away setting, with a pretty side garden and an integral garage. Whether you are seeking a secure and easily managed “lock-up-and-leave” home, or a more spacious character property that is still relatively low maintenance, this home could be an ideal choice for you.

## ACCOMMODATION

Tucked away from passing traffic, the property is set back from a no-through lane behind a garden that lies to the side of the house, and gravel driveway. A UPVC double-glazed front door opens into a spacious entrance hall with a turning staircase, useful under-stairs storage, and a downstairs cloakroom fitted with a heritage-style suite.

The well-proportioned sitting room enjoys a southerly aspect with French doors opening onto the rear garden, along with a feature fireplace set within the chimney breast. A separate dining room lies to the front of the property, while the kitchen/breakfast room overlooks the rear garden and is fitted with a range of light wood units and worktops, with space for appliances and a breakfast table. A utility area provides further storage, a sink, plumbing for a washing machine, and internal access to the integral garage.

Upstairs, a galleried landing leads to three double bedrooms. The principal bedroom is particularly impressive and benefits from a walk-in dressing area and en-suite shower room. The remaining bedrooms are served by a family bathroom, which includes a bath with shower over and Velux window providing natural light. Both additional bedrooms enjoy a lovely bright southerly aspect with exposed beams. The landing also provides useful built-in storage and potential space for a small study or reading area.

## OUTSIDE

The property is approached via a gravel driveway, which is privately owned by this property with the neighbouring property retaining a right of way across to access their own section of driveway beyond. There is additional space to park to one side of the driveway, provided it does not obstruct the access.

The integral garage has an up-and-over door to the front and benefits from power connected, a rear window for natural light, and a useful internal door connecting through to the utility room.

The pretty garden is situated to the west side of the property and is fully enclosed by fencing. It features well-stocked borders together with a selection of ornamental trees and shrubs. A patio area is positioned adjacent to the sitting room doors, providing an ideal spot for outdoor dining and relaxation.
