In Detail

Guid price £900,000-£925,000

A superb example of mid century modern architecture, beautifully reimagined for contemporary family living. The current owners have undertaken the type of high quality remodelling that many purchasers of these houses hope to achieve, creating exceptional living space while retaining the property's original character and proportions.

The ground floor has been reconfigured to create an impressive full length open plan kitchen / dining / reception space across the ground floor, perfectly designed for modern family life and entertaining. The U shaped kitchen features plenty of storage and generous work surfaces, flowing seamlessly into the dining and reception areas. Large glazed doors open directly onto the rear garden, creating an effortless connection between indoor and outdoor living.

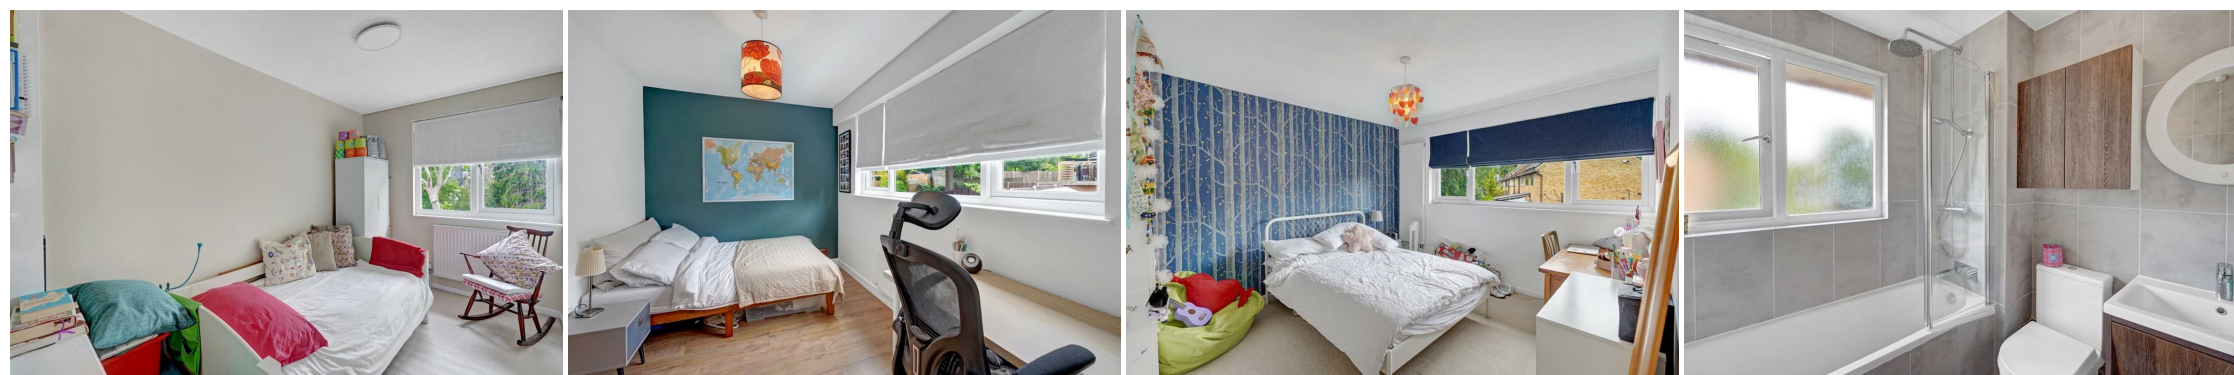

On the first floor, a superb reception room of 20'3 x 17'2 ft enjoys the benefit of elevated privacy. This additional living space offers a very comfortable lounge, with great views, filled with natural light and provides an inviting setting for relaxing. This level also benefits from a good sized double bedroom with ensuite, overlooking the gardens.

The upper floor comprises three further bedrooms, including two spacious doubles and a versatile fourth bedroom that could equally serve as a nursery, home office or study. All rooms enjoy attractive views across the surrounding area.

Throughout, the property is complemented by carefully curated furnishings and interior details that pay homage to its mid century modern heritage.

To the rear, the landscaped garden offers a wonderful setting for relaxing and entertaining, with a generous patio leading to a level lawn bordered by mature planting, providing colour and interest throughout the seasons. A separate garden studio with underfloor heating provides a versatile additional space, ideal for home working, creative use or a quiet retreat overlooking the garden.
