Period Style & Charm

Arranged on the raised ground floor of an elegant Victorian conversion built by the famous Master Builders William & Francis Radford on one of Kensington Olympia's most attractive tree-lined streets, this beautifully presented two-bedroom apartment offers bright, well-proportioned accommodation with a refined blend of period character and contemporary style.

A generous west-facing reception room forms the heart of the home, where a large bay window fills the space with natural afternoon light, complementing the high ceilings and original period detailing. Oak flooring continues through to the open-plan kitchen, thoughtfully designed with a breakfast bar and sleek cabinetry, creating an ideal setting for both everyday living and entertaining.

Both bedrooms overlook the quiet rear aspect, enjoying a peaceful, leafy outlook, and benefit from fitted wardrobes and excellent built-in storage. Immaculately presented throughout, the apartment has been finished to a high standard with a strong emphasis on quality, comfort and practicality.

Russell Road is a quiet residential address, moments from the excellent transport connections of Kensington Olympia and within easy reach of Holland Park, Kensington High Street and an excellent selection of cafés, restaurants and boutiques. Residents will also benefit from the transformative Olympia redevelopment, bringing an exceptional collection of cultural venues, restaurants, entertainment and landscaped public spaces to the neighbourhood.
