# In Detail

A beautifully presented, mid century two bed Freehold home, located moments from Wells Park (Green Flag Award Winner), excellent transport links and a wealth of amenities along the high street.

The finish is precise, showcasing clean lines and a calming palette of colours throughout.

On entry, the hallway opens into the kitchen, finished in a Scandinavian inspired palette, combining soft muted cabinetry in sage tones with warm natural wood units for a clean, balanced aesthetic. High quality integrated appliances, (including a double oven and an induction hob), provide both style and practicality, while generous storage keeps the space effortlessly organised. Open to the dining area, the layout creates a wonderfully social heart of the home, ideal for everything from busy weekday mornings to entertaining family and friends.

The living space to the rear is unexpectedly wide and bright, with floor-to-ceiling glazed patio doors framing views of the rear garden beautifully, providing a great extension to the living space, with a large patio area that flows directly from the lounge, borders of established shrubs and mature trees beyond.

Upstairs are two double bedrooms, both enjoying calming outlooks of surrounding gardens and trees, the main bedroom to the front benefits from fitted storage and the bathroom is beautiful, with chequered flooring and classic fittings.

This modern home perfectly combines mid century character with contemporary comforts, located just off Westwood Hill, close to Wells Park, Sydenham and Sydenham Hill stations.
