On buying the original property on this generous site of over half an acre, our clients had a vision of the home they would seek to create. A few years later and their dream became a reality; an outstanding new home encompassed by newly landscaped gardens with a high degree of privacy and wonderful countryside views.

If driving up the winding, newly laid driveway hasn't already impressed you, then as you step through the expensive, cantilever front door into the spacious and beautifully appointed interior, you will understand the extraordinary lengths our clients have gone to. Large windows afford beautiful views to each side and oak parquet flooring flows throughout most of the ground floor.

A sophisticated kitchen with Shaker cabinets and quartz-granite has Neff appliances. Large sliding doors open to a level, wrap-round terrace with spa bath and covered lounge, creating a perfect indoor/outdoor arrangement for those who love to host. There are five double bedrooms, all but one have wardrobes and two have luxury ensembles in addition to the family bathroom, all from Porcelanosa. A folding ladder leads up to a useful loft room.

Hidden from view, there is a large double garage and store room, and there are two further single garages. The substantial detached building is arranged as a great gym, or could be a studio, office or annexe.

Due to our clients' relocation, this exceptional new home is now available with no onward chain.

In an elevated setting, the property enjoys tranquillity and wonderful countryside views, whilst offering excellent connectivity for all aspects of modern family life.

The M23/M25 intersection is within a few minutes' drive, bringing Gatwick in 20 minutes, Heathrow in 40 minutes and the coastal ports and the Eurotunnel also within easy reach. Chipstead Station is within walking distance and has direct services to London Bridge and Victoria, whilst just two miles away, Coulsdon South Station offers faster direct rail services (21 minutes) into the city.

Chipstead has local shopping at the station parade whilst more extensive facilities are available at nearby Banstead, Coulsdon and Reigate. The area has a choice of excellent schooling such as Chipstead Valley Primary, Epsom College, Whitgift, Royal Alexandra and Albert, Reigate Grammar, Dunnotar, Caterham School and The Hawthorns School.

Chipstead retains unspoilt rural village charm with its pretty Norman church, village pond, local theatre and annual flower show and fete. Remarkably, the village caters for almost every sport including clubs for golf, rugby, cricket, football, tennis and bowls and it also forms part of the course for the annual London to Brighton cycle race.

There is abundant open countryside for walking, cycling and riding with numerous liveryies in the area. Both the Ramblers Rest and White Hart pub-restaurants are both nearby.
